Dear Parents,

We would like to take the opportunity to invite Kingsley parents to share our new Personal Health, Social and Economic (PHSE) School policy.

This has been written by our new PHSE lead, senior staff and Governors and as part of the process of introducing the policy we would like to ask any interested parent to a short meeting. At the meeting we will share the policy, give some examples of lessons taught or planned and answer any questions you may have about the policy at Kingsley.

We are still operating on strict COVID guidelines so we will host 3 meetings in order to accommodate parents safely. The meetings will be held in the hall, which is well ventilated, seating will be socially distanced and we will require everyone to wear a mask.

You MUST book your place at these meetings, as we have to restrict numbers due to COVID risk assessment. The meetings are only open to parents of children in Kingsley Primary, and unfortunately only one place can be given to each family.

To help us organise the events, we are inviting parents to book one meeting only. **You must return your slip below to book a place by Monday 14th February. If you do not book a place, you will not be able to attend. Please indicate which meeting you would like.** If we are over subscribed, we will allocate extra sessions after half term and you will be informed that your place needs to be re requested then. This way everyone who wants to attend will be able to. Thank you for your help in this matter.

Mrs Whittaker, Head Teacher.

Please return to the school office by Monday 14th February.
