

PSHE AT KINGSLEY: Year 4

Topic: Living in the Wider World (Caring for others; the environment; people and animals; shared responsibilities, making choices and decisions)

Question: *How Can Our Choices Make a Difference to Others and the Environment?*

Learning Expectations:

- How people have a shared responsibility to help protect the world around them
- How everyday choices can affect the environment
- How what people choose to buy or spend money on can affect others or the environment (e.g. Fairtrade, single use plastics, giving to charity)
- The skills and vocabulary to share their thoughts, ideas and opinions in discussion about topical issues
- How to show care and concern for others (people and animals)
- How to carry out personal responsibilities in a caring and compassionate way

Programme of Study References:

L4, L5, LI9, R34

Key Websites:

[Team Margot - Giving help to others \(resources on blood, stem cell and bone marrow donation\)](#)

Cross Curricular:

Science

Literacy

Prior Learning: How the community helps everyone to feel included and values the different contributions that people make. How to be respectful towards people who may live differently to them

Future Learning: Discussing what job would we like in the/our community.

Essential Knowledge:

- To understand what part we have in protecting the world.
- To understand that what we do has effects on the environment.
- To understand that what we spend our money on can affect the environment.
- To understand how to care for others including animals.

Key Vocabulary:

Responsibility, protect, environment, opinions, discussion, similar, different, similarity, difference, rural, urban, inequality, local, global, communities, human right, respect, shared responsibility, care, compassion, diverse
