Writing Number 14

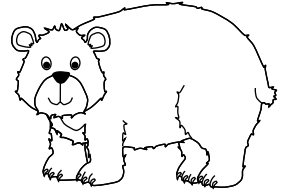

Carefully trace over the numbers.

Now write your own on the lines below.

Writing Number 15

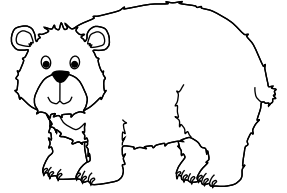

Carefully trace over the numbers.

A grid of 48 dotted numbers '15' arranged in 6 rows and 8 columns. Each number is formed by small black dots connected by thin lines, designed for tracing. The first two rows have a solid dot at the top of the '1' and the top of the '5'. The remaining four rows have a solid dot at the top of the '1' but no solid dot at the top of the '5'.

Now write your own on the lines below.

Writing Number 15

Carefully trace over the numbers.

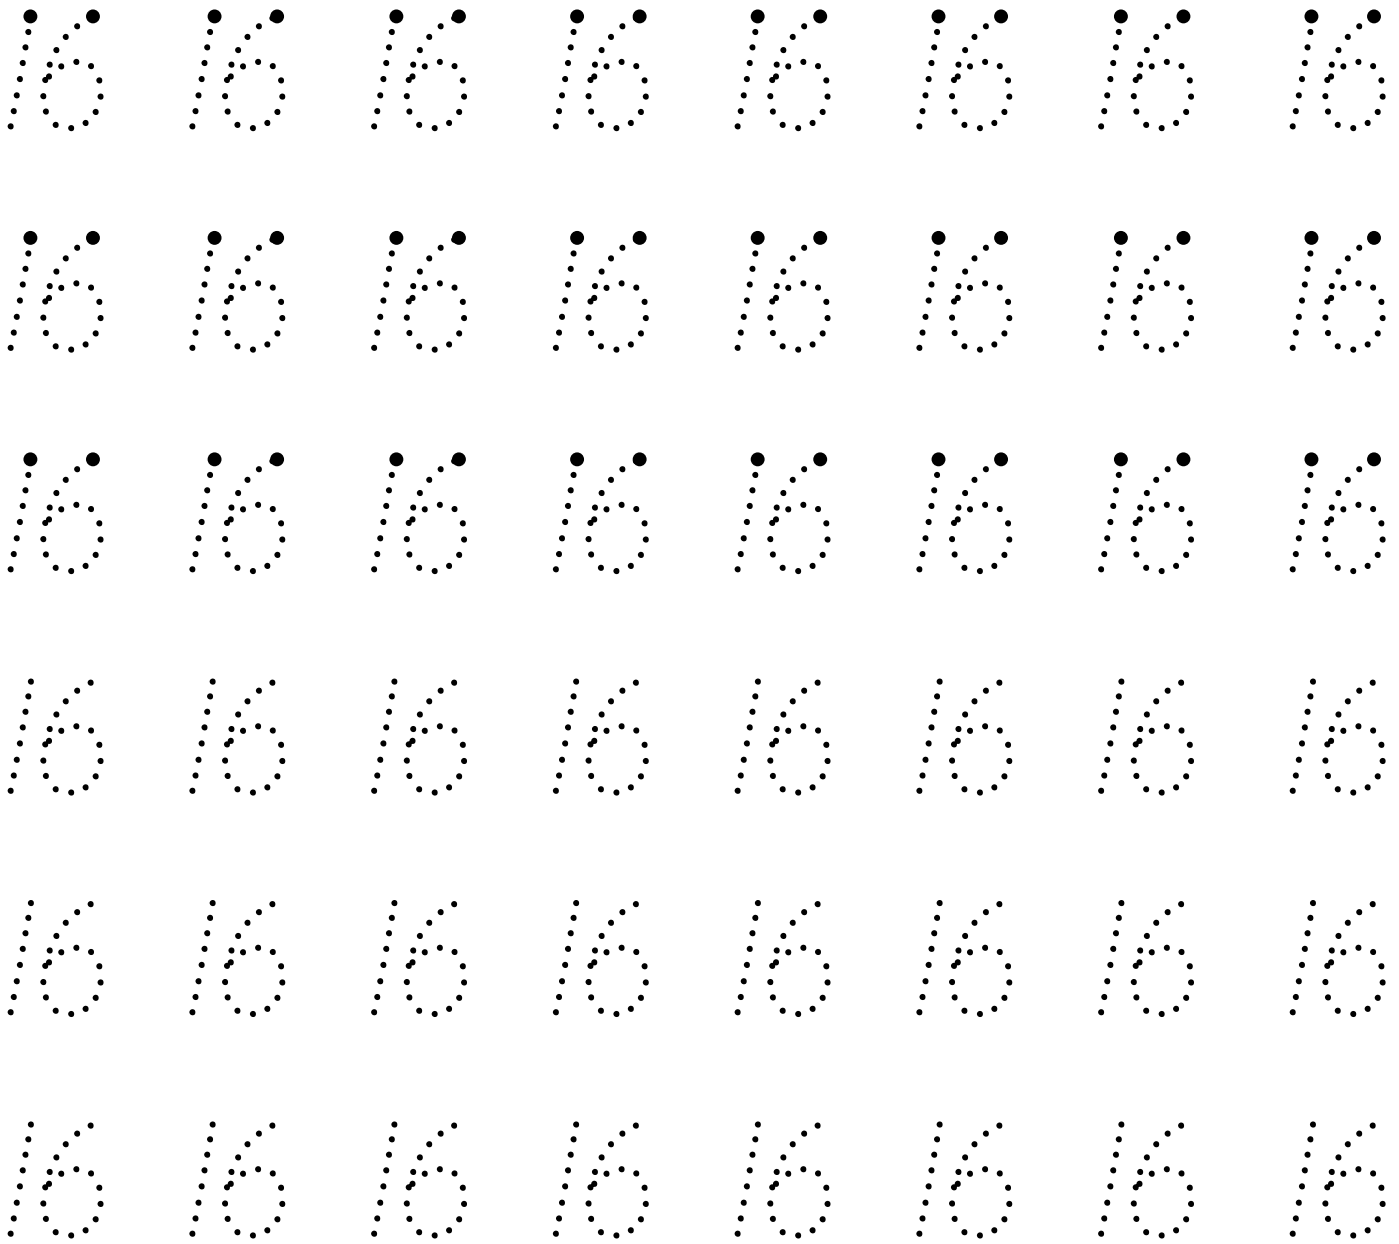

Tracing practice for the number 15. The page contains six rows of dotted numbers. The first three rows each contain eight dotted '15's. The last three rows each contain eight dotted '15's. Each '15' is formed by a vertical line on the left and a curved line on the right, with small dots indicating the starting and ending points of the strokes.

Now write your own on the lines below.

Writing Number 16

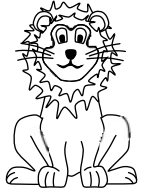

Carefully trace over the numbers.

Now write your own on the lines below.

Writing Number 17

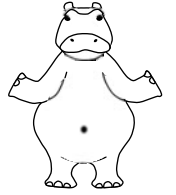

Carefully trace over the numbers.

Tracing practice for the number 17. The page contains six rows of dotted numbers. The first row has eight numbers, each with a small black dot at the top left of the '1' and another at the top left of the '7'. The following five rows each contain eight dotted numbers without the starting dots. The numbers are arranged in a grid format, with eight numbers per row.

Now write your own on the lines below.

Writing Number 18

Carefully trace over the numbers.

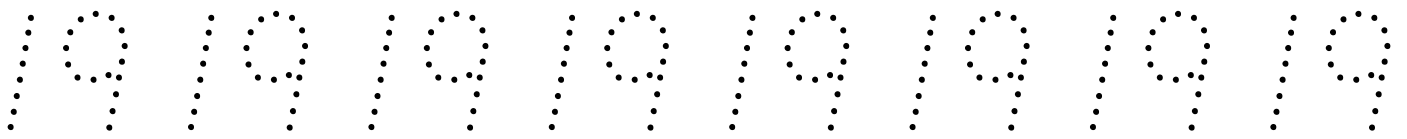

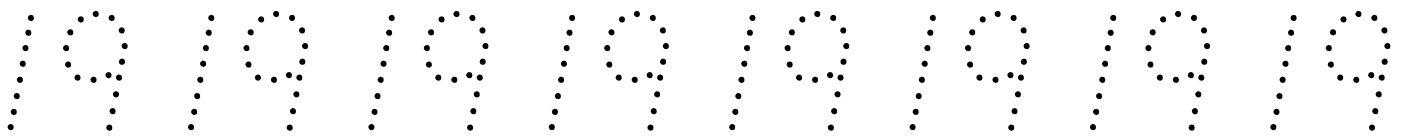

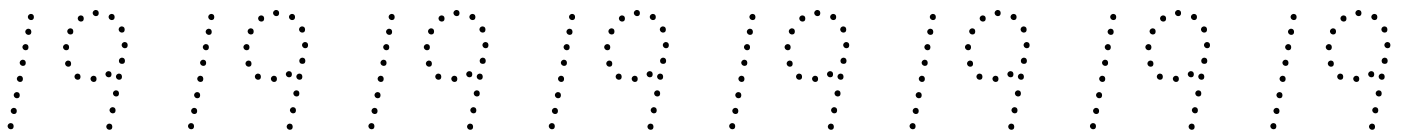

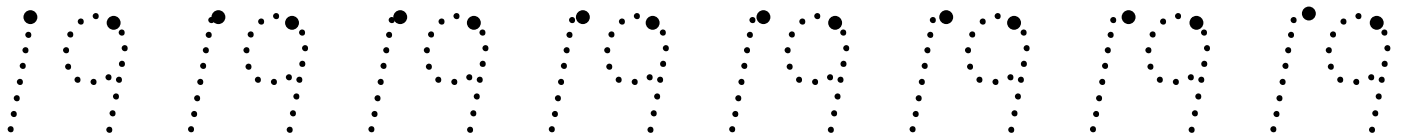

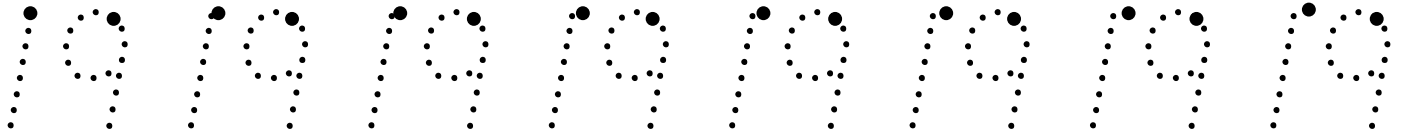

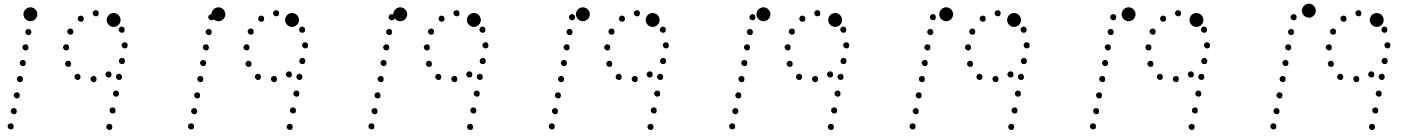

A grid of 48 dotted number 18s for tracing, arranged in 6 rows and 8 columns.

Now write your own on the lines below.

Writing Number 19

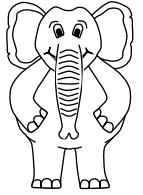

Carefully trace over the numbers.

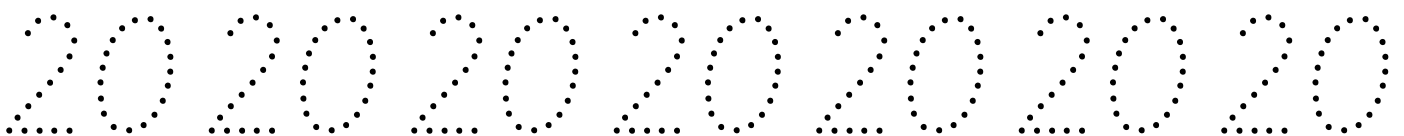

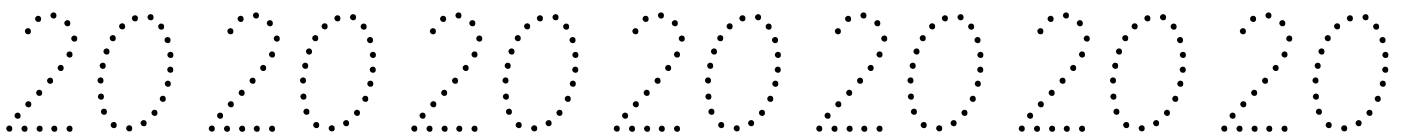

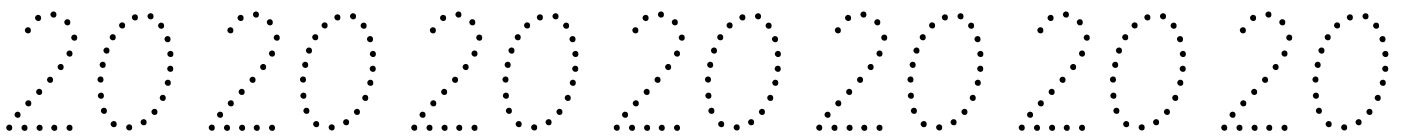

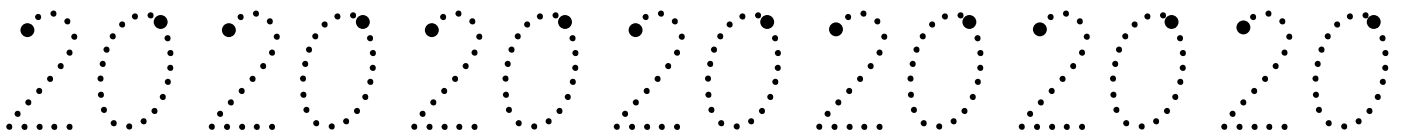

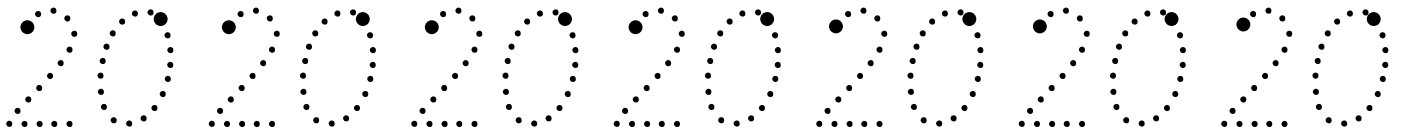

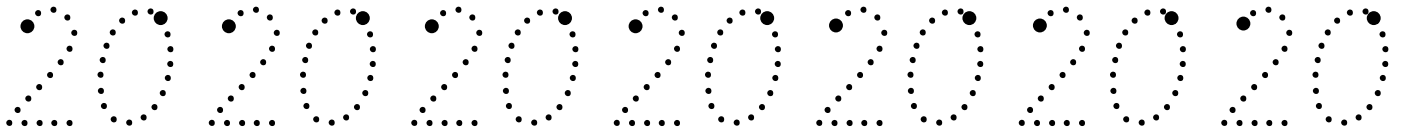

Now write your own on the lines below.

Writing Number 20

Carefully trace over the numbers.

Now write your own on the lines below.
